

About PennSuburban Community Tennis Association

PennSuburban Community Tennis Association (PSCTA) is a grass-root, not-for-profit organization that was established in October, 2012. Our mission is: To promote interest in playing tennis and develop the growth of tennis in underserved neighborhoods in the PennSuburban Community of Pennsylvania. Our primary focus is the development of 10 and under tennis programs at various public parks and recreational centers, schools, and apartment complexes where courts are under-utilized and communities are underserved. We are also developing programs for seniors who want to play the game of tennis, introducing them to tennis using 10 and under equipment. Our efforts will grow tennis by creating programs that are fun and affordable.
